General Information and Academy Policies

Student and Parent Guidelines

- TTP Academy maintains a positive and supportive environment for the benefit of our students and families. We ask that you please keep negativity outside of the studio and address any questions or concerns directly with your dancer's teacher and/or program director.
- Please keep the waiting areas neat, clean, and tidy. Please keep talking to a whisper and calm play is encouraged.
- Cell phones, gum, food, drink, and street shoes are not allowed in the studio or dance space.
- Girls' Hair should be worn in a bun for ballet, and otherwise pulled away from the face for other classes.
- Please label all shoes and personal items. TTP is not responsible for lost or stolen items.
- Please be on time for all classes and respect classroom time by refraining from interruption before, during or after class.
- For students that partake in private lessons with a TTP instructor, one parent must remain in the waiting area during the private session.
- Parents who volunteer for Picture Day, Dress Rehearsal or Recital Performance Days must read the volunteer policies and are subjected to a background check.
- The main form of communication used by TTP is email. Please keep your contact information current.**

Class Term

- TTP Academy offers a full-year program, from September through August. Some short term recreational classes run in 8 week units.
- New students are welcome at any time. To be eligible for the recital in May, students must be enrolled before the end of October.
- The year is broken into four 8-10-week-units; September-November, December-February, March-May, and June-August for Ballet technique students.
- Students enrolled in Academy technique classes take class September through May. Ballet I-VI are highly encouraged to take classes/camps throughout the Summer session. Pointe students must enroll for Summer sessions to ensure safe technique practices.

Class Policies

- TTP will work with each community center to shorten or cancel any class, camp, or activity with less than 5 students
- Each community center in which we teach has established their own policies for payment options. TTP Academy maintains a No Refund policy except for; relocation (30+ miles), extended illness, or other severe circumstances, on a case-by-case basis. A doctor's note will be required.
- When a class is canceled by TTP due to weather, etc. students are encouraged to make up the time in another class.
- There are dress codes and guidelines for every class. An online store offering Revolution products is available on the TTP website. Students are asked to come to class prepared and ready to learn.
- As with any activity, commitment is an important part of a student's success. Attendance is tracked and students are asked to miss no more than 1 class per 10 week unit to maintain the current level and progress at an expected rate.

Performance Opportunities

- TTP's main performance opportunity is the annual year-end recital at the Oconomowoc Arts Center.
- Performance is an exciting part of any performing arts program. Year end performances are optional, yet those students who have enrolled are encouraged to participate.
- Additional performance opportunities are available throughout the year for special productions and promotional events.
- Once preparations for the year-end performance begin, attendance is critical. All dancers are expected in every class.
- Costumes and tickets are necessary performance expenses. Fees will be collected in November for the year end recital. Optional performance related items, such as flowers, video, and pictures, will also be available for ordering & purchasing.
- TTP Academy also auditions for youth performance groups, including; TTP Dance Company. Interested students should talk to Ms Kelsey or Ms Lori. This TTP Dance Company is for current Ballet III+ students.

I have read and understand all TTP Academy Policies.
